

Sportsman Class for Indoor Racing

1 DETAILS OF THE CLASS

- Participants of this class cannot run in any other class
- Addition of a Sportsman Class to be run in our regular race day. To be free to join, does not collect points. To allow a pathway into indoor racing where the entry costs are lower.
- Cars allowed. -1/10th Touring Car, VTA, F1, 1/12th, Smaller scale RC's with On-road Tires, 1/10th 2wd Buggy with On-road Tires
- 2 or 4WD allowed but must be on-road type Tires. Eg. Touring car slicks, VTA treaded, Foam.
- Cars and tires must be clean (no dirt from being run outside)
- Transponder required to be counted by the computer, but without cars can still race with limited counting.

This class is to groom racers in an inviting environment to the rigors of on-road racing. Show them the different points classes and to allow time to see if this is something they will want to spend the money to get into.
