The sixth booking be charged the \$145 rate. Teams will be expected to pay only for practices actually used (on water). Please pay in advance or at the start of the practice.

### Non Member Boat Rental

**\$8.50 per person for a one time boat paddle session - to a maximum of 10 bookings**

Based on a 90 minute session

<< applies to recreational canoe and kayak rentals, as well as trial team practice sessions >>

Memberships fees have increased in 2006, because of construction costs and the additional operating expenses related to our new and unique regional paddlesport centre. We are proud to be able to offer the community of Thunder Bay improved opportunities and access to recreation and training, at Boulevard Lake.
