Couldn't ask for much more!

Carla & David reported that Babe had 2 Best of Breed wins & made the cut both times with Tanice guiding her expertly as usual.

Bristol (aka beastie boy) got a three point major in Apple River with me showing him, and Reserve to a 4 point the day before.

Two BPIG and a Group 2nd in the Soo and we're off to the National in Edmonton, with Checker in as a veteran and both in brace.

Update** Checker wins BOS/Best Veteran/Best Canadian Bred at the National and Bristol completed his championship at the all breed show. **Charlene Boone**

KamValley Corgis:

Spenser & Tanice continue to Cause A Sensat'n and scored Spenser's 12th Best in Show at the Sault Ste Marie show under Judge Edgar Bajona. They also came home with all 5 of the Group 1st ribbons (bringing his total to 69). Thanks to Tanice for her expert presentation and dedication to our dogs.

Tony (our Stewie son) won 2 Best Puppy in Group and a Best of Winners at the recent LKC shows the two days he was shown then headed down to Minneapolis to work on his AKC championship – Rebecca reports that Tony scored RWD his first day in the ring!

We would also like to congratulate the owners of our dogs' offspring that have completed their championships this spring:

Susan MacAskill and Max (Ch Kamvalleys Causin A Commotion)

Ruth vanNieuwenhuizen and Kelly (Ch Kamvalleys Smirnoff Twisted) – this gave Mackenzie her ROM!

Ben & Maria Lobo and Mococo (Ch Kamvalleys Smart Diesel Mococo) – Stewie's first champion offspring

Sherri Ullrich and Tyler (Am/Can Ch Lakeways Do It Again) – Spenser's 7th champion offspring and a dual champion

Have a safe summer and we will see you at the shows! **The Petrynka family**

More brags from Leinenstone! The 'kids' have been on the go, so much so that we've actually missed posting in the last newsletter. Lots has gone on.....Talea has consistently been placing in the Group ring, bringing home all 4 colors at least once! Their most recent show was in Sault Ste. Marie....both Talea & Myke did very well! Mykie took Best of Winners (x4) therefore completing his Can. Championship. He is now proudly known as **Ch. Striders Spiked on Leinenstone!** Talea faced tough competition as a Special competing against a very handsome, mature, Top 20, MBIS/MBISS (Can/Am) dog....she did however, take the breed in Show 2 and went on to take Grp 2 as well!

Also, in March, when in Winnipeg for the Dog Show, Myke & Talea also made their debut on the 'Catwalk' at the annual Nygard Night of Stars & Awards Banquet held at the Convention Centre. Alia Nygard had a Great Dane as a young girl & in planning for this event decided to surprise her dad with Danes as a part of the fashion show finale. Myke & Talea strutted their stuff in style on the runway as a part of the launch of the Nygard spring lines! As they waited for their turn in the V.I.P. room, Mykie took his about to be new found talent in stride, lounging out on a couch, patiently waiting for an appetizer or two to come his way. Video of the spring/summer lines are run in all Nygard stores across Canada....& you'll see Myke & Talea, along with Kat (their mom) and Trick (their cousin) strutting their stuff as well! Hey, the new star Mykie also made the front page of the Winnipeg Sun!!! It was an amazing experience for all!

It's not often that a dog takes a "Hat Trick" in BIS wins but this dog, Ch Karnovanda's Niklas Wolfe did it for the 2nd time at the LKC show in May. The first time was in July 2005.

Ch. Cairduil Repeat Offender

On May 23, 2007 our friend Fuzzy has left his post as my best friend. He was about 2 weeks shy of 16 1/2 years old. He did everything I ever asked of him. He was 6 months on the day he entered the show ring, for a 5 point win and Best of Winners, the next day at 6 months 1 day he repeated the win. His owner had not entered him on the third day because he was just a 6 month puppy. He won groups sired dogs that won specialties and captured my heart. He's been with me since he was 6 weeks old and when I brought him home Jonathan said "what are you going to do with that fuzzy bum. " So Fuzzy Bum he was until the first judge asked his name and I shortened it. He was given rest as he had lost the sight of an eye, was having seizures and could no longer wait to be put out for his bathroom. So the line as ended. For the first time in 36 years I am dogless and I will not have another unless I regain my ability to walk and run so I can enjoy a dog again. Marilyn Foulds
